Subject: Microsoft Settlement

Dear Renata B. Hesse,

I have signed and endorsed the open letter of Dan Kegel.

The Proposed Final Judgement will allow many of Microsoft's anticompetitive practices to continue. Their lack of good faith has been demonstrated enough, even after the PFJ was set out.

Microsoft's ruthless and predatory practices are hurting the rest of the computer/software industry, and a toothless final judgement is not in the public interest.

Sincerely,

Laurence Schorsch
